HOW BIG IS THE MARKET?

And can a series become **recurring
income?**

1

AMAZON IS A GIANT

Estimates put Amazon at **over half** of US print sales and **most ebook sales**.
Exact shares vary by source.

2

KDP IS YOUR WAY IN

KDP lets independent authors sell on that shelf. **Amazon does not publish** KDP's exact share of all book sales.

3

THE MONEY IS REAL

In 2022, Amazon said **2,000+ indie authors** had earned over \$100K in KDP royalties. Most earn far less.

4

PAGES **PAY** TOO

The monthly KDP Select fund ran about **\$66M to \$71M** in 2026.

Authors earn per page read in Kindle Unlimited.

THINK

RENTAL
PROPERTY

Each book can keep earning after launch. **Not guaranteed.** It needs upkeep, and a series adds more books to earn.
